Movement numbers refer to the New Novello edition (and this is the edition I will be working from).

I have gone with the delineations in the New Novello except that I have split Sanctus and Pleni sunt coeli.

There is only time for two goes through each movement (normally it would be three or four) so we will run (but not work) each movement the week after it has been worked on.

We will arrange in 2 choir formation on 25<sup>th</sup> January, 1<sup>st</sup> March and 8<sup>th</sup> March to rehearse Osanna. Otherwise we'll keep ourselves split in our usual SSATB (safety in numbers) while rehearsing initially.
